**Lijkbloem** 2018-03-28 the new york times bestselling author of the lost fleet series tells tales of an alien ambush time traveling cavalrymen and a military lawyer in space in his new york times bestselling lost fleet series author jack campbell has taken readers and captain black jack geary on a fast paced journey of conquest across vast reaches of space now in the three novellas contained in swords and saddles first in a series of short fiction collections from jack campbell readers can explore the entire universe of campbell s fiction a new author s note accompanies each story begin by entering the rift answering a distress call from a colonized planet a combat team

finds themselves ambushed they manage to scabble their way to a remote research facility in the countryside joining a group of schoolchildren that have holed up with the researchers three groups united in fear that their lives will last only as long as they can avoid discovery by the aliens that have come to their planet when the aliens do come it becomes clear that despite all the years of research the humans understanding of the aliens is woefully incomplete swords and saddles is one of several alternate history stories that jack campbell has written when lightning strikes captain ulysses benton and his u s cavalry fifth regiment they recover to find an ancient structure in the desert that they ve never seen before and writing in a language none of them recognize when the next find themselves skirmishing with soldiers wearing armor more appropriate to roman centurions than 1870s kansas it becomes clear that wherever it is they are it isn t kansas but where are they then and how do they make their way home the lost fleet isn t the only jack campbell series full of outer space intrigue failure to obey is a novella in his paul sinclair series when lieutenant jen shen saves the day after a terrorist attack on a space station she gets a medal but ivan sharpe a fellow officer and paul s former master at arms gets a court martial in a classic court martial scene that rivals the best in american literature paul must work behind the scenes to save ivan s military career

*Leviathan ontwaakt* 2014-08-25 in deze bondige en uiterst leesbare biografie laat de britse historicus peter neville zien hoe benito mussolini 1883 1945 begon als revolutionair socialist en zich onder invloed van de eerste wereldoorlog ontwikkelde tot felle nationalist daarnaast beschrijft neville hoe gevestigde belangen een struikelblok vormden waardoor italië nooit zo fascistisch werd als mussolini had gewild en hoe diens mateloze ego hem ertoe verleidde militaire avonturen aan te gaan die desastreus uitpakt

**Swords and Saddles** 2013-02-12 admiral john black jack geary fears the greatest threat to humanity may be itself in this gripping continuation of the new york times bestselling series as far from explored space as any human has ever been geary and the alliance fleet are on their own protecting a diplomatic mission in territory belonging to an alien species with still unknown motives his already complex and dangerous mission is further imperiled by deadly challenges from other human factions seeking to harm or exploit the aliens when another alien species whose technology is far more advanced than humanity s arrives the stakes are raised to the highest possible level only the most serious danger comes from an unexpected source when presented with orders to carry out actions he believes not only are mistaken but would be contrary to the ideals of the alliance geary has to finally decide whether he must invoke the power that his long revered name holds all the while knowing that this might endanger his entire fleet tear apart the alliance and destroy everything he has fought for

*Dental Department Administration* 1960 admiral john black jack geary may have saved the alliance only to destroy it in this thrilling and eagerly awaited continuation of the new york times bestselling series geary believed in the alliance even when he uncovered overwhelming evidence that the highest echelons of the government and fleet command were involved in secret programs and prison camps he believed it was worth saving and that his duty was to see that justice was served even though some factions feared that revealing the truth would cause the alliance to crumble but after narrowly surviving two assassination attempts when he brings evidence of the misdeeds to the capital star system geary realizes that some have decided the easiest way to make the alliance s problems go away is to get rid of him he finds himself ordered to undertake a perilous new mission outside of the reaches of human occupied space while

the senate clashes over the evidence geary's warships must escort a diplomatic and scientific mission across the dangerous disintegrating remnants of the syndicate world's empire but even if he can make it to midway star system the gateway to alien controlled space geary will face former syndicate officials who have rebelled and regard the alliance with deep suspicion and that will be the easy part

Mussolini 2015-04-15 he swore to protect and serve now he has to choose between them when the american lunar colony was threatened he served his country in battle but when high ranking officers betrayed him and his soldiers he had only one choice rebellion now sergeant ethan stark is in charge of a rebel organization he never intended to create and the united states has just joined forces with its former enemy to insure his destruction stark has no intention of compromising his honor even in the face of impossible odds he and his soldiers have no desire to fight american forces but they are willing to pay any price to defend the rights of the colonists they were sent to protect now stark and his soldiers must fend off deadly aggression from their own country without igniting a full scale civil war

The Lost Fleet: Outlands - Implacable 2023-07-24 he started a rebellion now he'll have to lead it united states military forces on the moon have overthrown the ranking officers and placed sergeant ethan stark in command now in addition to fighting a merciless enemy on the moon's surface stark must contend with the u.s. government's reaction to his mutiny the moon's american civilian colony has offered to assist the military with food and supplies on one condition that stark's troops back the colony's plea for independence in order to survive civilian and soldier must learn to trust one another as one man's cause becomes a crusade
