~~and make it part of your long term memory the nurse s aide vocabulary~~  
workbook is an awesome tool to use before a course of study as it will help  
you develop a strong working insider s language before you even begin your  
review learn the secret to success after nearly 20 years of teaching lewis  
morris discovered a startling fact most students didn t struggle with the  
subject they struggled with the language it was never about brains or ability  
his students simply didn t have the knowledge of the specific language needed  
to succeed through experimentation and research he discovered that for any  
subject there was a list of essential words that when mastered unlocked a  
student s ability to progress in the subject lewis called this set of  
vocabulary the insider s words when he applied these insider s words the  
results were incredible his students began to learn with ease he was on his  
way to developing the landmark series of workbooks and applications to teach  
this insider s language to students around the world
