Tony Speaks!

2012-07-25

you ve seen him wearing speedos kissing babies driving a mining truck and chatting to his flock but who is the real tony abbott in the grand tradition of bushisms and the wit of whitlam here are the sayings of tony abbott unvarnished and rich in revelation the very best and worst of australia s irrepressible mad monk tony speaks on honesty one man s lie is another man s judgment call poverty we just can t stop people from being homeless if that s their choice climate change absolute crap divorce come 2020 i m confident that families won t break up any more often because old fashioned notions about making the most of imperfect situations will have made something of a comeback female equality i think it would be folly to expect that women will ever dominate or even approach equal representation in a large number of areas simply because their aptitudes abilities and interests are different for physiological reasons christian teaching jesus knew that there was a place for everything and it is not necessarily everyone s place to come to australia and that s just a taste

Tony Abbott Is A _____.

2015

you ve seen him wearing speedos kissing babies driving a mining truck and campaigning on big brother but who is the real tony abbott in the grand tradition of bushisms and the wit of whitlam here are the sayings of australia s prime minister unvarnished and rich in revelation the very best and worst of abbott the irrepressible mad monk tony speaks on family if you want to know who to vote for i m the guy with the not bad looking daughters adversaries does this guy ever shut up honesty there will always be some issues that are contentious but the best way to deal with them is openly candidly and behind closed doors female colleagues they re young feisty i think i can probably say have a bit of sex appeal and they re just very connected with the local area poverty we just can t stop people from being homeless if that s their choice climate change absolute crap christian teaching jesus knew that there was a place foreverything and it is not necessarily everyone s place to come to australia and that s just a taste russell marks is the author of crime and punishment offenders and victims in a broken justice system he has worked as a criminal defence lawyer and academic and as a writer for the monthly he is currently a policy advisor to the greens and an honorary associate at la trobe university

A Strong Australia

2012

the essential work on tony abbott is now an expanded updated short book and a crucial election year companion australians want to know what kind of man is tony abbott and how would he perform as prime minister in this dramatic portrait david marr shows that as a young catholic warrior at university abbott was already a brutally effective politician he later led the way in defeating the republic and as the self proclaimed political love child of john howard rose rapidly in the liberal party marr shows that abbott thrives on chaos and conflict part fighter and part charmer he is deeply religious and deeply political what happens then when his values clash with his need to win this is the great puzzle of his career but the closer he is to taking power the more guarded he has become political animal s release as a quarterly essay in 2012 with its revelations of the punch triggered intense scrutiny of abbott s character which culminated in gillard s memorable speech accusing him of misogyny and soon after abbott s worst ever public approval rating this significantly expanded and updated short book gives the clearest picture yet of the man abbott is and the prime minister he would be since witnessing the hewson catastrophe at first hand abbott has worn a mask he has grown and changed life and politics have taught him a great deal but how this has shaped the fundamental abbott is carefully obscured what has been abandoned what is merely hidden on the road to power what makes people so uneasy about abbott is the sense that he is biding his time that there is a very hard operator somewhere behind that mask waiting for power david marr political animal it s a more fair minded and more generous assessment than many people perhaps myself included had expected we have very different perspectives on the world but to his credit to some extent david marr was able to step outside the standard leftist critique and appreciate that here was a more nuanced and complex character than perhaps many of the standard left leaning critics would concede having said all of that i certainly don t think all of his judgments were fair and i don t think all of his interpretations were correct tony abbott winner 2013 john button prize

The Wit and Wisdom of Tony Abbott

2015-12-01

2021 revised edition the author intertwines three themes the character of former prime minister tony abbott as displayed in his fearless no holds battle with the far left radicals at sydney university 1976 1980 what it means to be a philosophical conservative in a leftist world and the author s critique of the student rebellion and the radicalism driving it the author lived through the tumultuous years of the 1960s and 1970s revolution tony abbott becomes a vehicle through which he expresses his scathing critique of the student rebellion in 2012 a passage in david marr s book political animal the making of tony abbott caused uproar across australia leftist marr is an out and proud passionate critic of abbott s barbara ramjan wife of a top gun criminal lawyer and hitherto unknown to the public accused abbott of subjecting her to an act of violence that allegedly occurred in 1977 when they were students at sydney university marr made ramjan s accusation public thirty five years later abbott s many critics in politics and the media swallowed the accusation and treated the alleged violence as more evidence for the views they had long held about him the scenario they propagate is that abbott is sexist and hates women claims men are the natural leaders of society and in politics he is brutal and insensitive above all this is the irrational discriminatory religion that motivates him abbott has no place in politics indeed feminist susan mitchell strove to make the case in her book tony abbott a man s man that abbott was dangerous but how well do the many books and reports attacking abbott stand up to scrutiny how well does their judgment of abbott bear close investigation how much is a caricature for political purposes and how much is supported by the evidence what is the evidence for ramjan s accusation in tony abbott and the times of revolution the author investigates he traces abbott s political development from school through to the end of his time at sydney university 1963 1980 a contemporary of abbott s and sharing a similar background the author draws on his experiences and reactions to the tumultuous times of the 1960s and 1970s in addition to the documentary research the book is in four parts the school years and the 1960s revolution student radicalism at sydney university 1973 1975 the prelude to abbott s arrival on campus abbott s engagement with the far left 1976 1980 and the media and abbott what emerges from the author s tracing of abbott s combat with the far left on campus is the waging of a heroic battle on behalf of western civilisation against the combined forces of marxism in its multiple manifestations in the final chapter the author reviews the evidence in marr s book for the alleged violence and finds none of it makes sense there are holes through which a herd of african elephants could pass without touching the sides the book contains endnotes and an index of names available in paperback

Tony Speaks!

2014-03-26

when julia gillardNa woman who was unmarried childless and an atheist became australia s first female prime minister after the 2010 election opposition leader tony abbott was left boiling with rage it was bad enough that he had lost but to have lost to a woman was shameful this strong feminist critique of tony abbot goes beyond his boyish grin and easy charm to expose a man who has no respect or tolerance for the social changes that women have fought so hard to achieve arguing that recent changes to the traditional male order are aberrations in abbot s opinion this account demonstrates how abbott aimed all of his political energy to demolish julia gillard and the government in order to lead his country back to the proper order of things

Political Animal

2013-03-31

winner 2013 john button prize tony abbott is the most successful opposition leader of the last forty years but he has never been popular now australians want to know what kind of man is he and how would he perform as prime minister in this dramatic portrait david marr shows that as a young catholic warrior at university abbott was already a brutally effective politician he later led the way in defeating the republic and as the self proclaimed political love child of john howard rose rapidly in the liberal party his reputation as a head kicker and hard liner made him an unlikely leader but when the time came his opposition to the emissions trading scheme proved decisive marr shows that abbott thrives on chaos and conflict part fighter and part charmer he is deeply religious and deeply political what happens then when his values clash with his need to win this is the great puzzle of his career but the closer he is to taking power the more guarded he has become since witnessing the hewson catastrophe at first hand abbott has worn a mask he has grown and changed life and politics have taught him a great deal but how this has shaped the fundamental abbott is carefully obscured what has been abandoned what is merely hidden on the road to power what makes people so uneasy about abbott is the sense that he is biding his time that there is a very hard operator somewhere behind that mask waiting for power david marr political animal this is no character assassination marr is not afraid to praise abbott in places and respects his political skills and intelligence michael mcguire the advertiser david marr is as brilliant a biographer and journalist as this country has produced peter craven australian spectator if you want to hit a man where it hurts hit him in the groin david marr doesn t miss in his quarterly essay profile

chris wallace canberra times david marr is the multi award winning author of patrick white a life panic and the high price of heaven and co author with marian wilkinson of dark victory he has written for the sydney morning herald the age and the monthly been editor of the national times a reporter for four corners and presenter of abc tv s media watch he is also the author of five bestselling biographical quarterly essays

2021-06-27

a hidden door a magical staircase discover the world of droon aha lord sparr has put princess keeah under a magic spell eric julie and neal can help her if they go to the land of the lost but only ghosts live there and if they don t get out soon the kids will turn into ghosts themselves

Tony Abbott

2011

what s next for the conservative side of politics where are new battlelines to be drawn current opposition leader tony abbott offers a frank analysis of the way forward for the liberal party from 2009 when he was federal shadow minister for families community services and indigenous affairs here he draws lessons from the dying days of the howard government and gives his views on his contemporaries including kevin rudd peter costello julia gillard and malcolm turnbull in battlelines abbott looks at the values and instincts that drive the liberal party and proposes policy that the party should adopt this is the often humorous story of his own political development he describes the truth about politicians lives his days from hell insider moments from the halls of power and how a would be priest believed he had fathered an unknown son battlelines outlines a state of play for the liberal party cementing tony abbott s reputation as one of the liberal party s most interesting thinkers and fearless advocates

Quarterly Essay 47 Political Animal

2012-09-01

when tony abbott declared on election night 7 september 2013 that australia was under new management and once more open for business he was emphasising more than his incoming government s determination to revive the national economy by using the lingo of small business he was affirming his affinity with what his predecessor robert menzies called the backbone of the nation australia s hard working middle class this collection of speeches from abbott s prime ministership covers every aspect of policy from free trade to indigenous affairs taxation terrorism history the environment bureaucratic red tape religion and more yet all are deeply imbued with abbott s and the liberal party s middle class values of freedom enterprise patriotism and love of family these speeches eloquently encapsulate that uniquely australian style of optimism which throughout our history has even against the odds underpinned our prosperity

Tony Abbott

2015-01-27

tony abbott is the most successful opposition leader of the last forty years but he has never been popular now australians want to know what kind of man is he and how would he perform as prime minister in this dramatic portrait david marr shows that as a young catholic warrior at university abbott was already a brutally effective politician he later led the way in defeating the republic and as the self proclaimed political love child of john howard rose rapidly in the liberal party his reputation as a head kicker and hard liner made him an unlikely leader but when the time came his opposition to the emissions trading scheme proved decisive marr shows that abbott thrives on chaos and conflict part fighter and part charmer he is deeply religious and deeply political what happens then when his values clash with his need to win this is the great puzzle of his career but the closer he is to taking power the more guarded he has become since witnessing the hewson catastrophe at first hand abbott has worn a mask he has grown and changed life and politics have taught him a great deal but how this has shaped the fundamental abbott is carefully obscured what has been abandoned what is merely hidden on the road to power what makes people so uneasy about abbott is the sense that he is biding his time that there is a very hard operator somewhere behind that mask waiting for power david marr political animal

Into the Land of the Lost (The Secrets of Droon #7)

2009

there will be no wrecking no undermining and no sniping tony abbott 15 september 2015 abbott s performances in the party room debates on education and climate change had ranged between woeful and pathetic he sounded desperate he was inconsistent and his colleagues thought slightly ridiculous they knew he would never stop going after cheap headlines during soft interviews where he sucked up the oxygen with revision and division as his calling cards all they could hope was that people would soon grow tired of listening to him normal people might have but the media grew more and more hysterical as if a challenge were imminent in the original edition of the road to ruin prominent political commentator author and columnist for the australianniki savva revealed the ruinous behaviour of former prime minister tony abbott and his chief of staff peta credlin based on her unrivalled access to their colleagues and devastating first person accounts of what went on behind the scenes savva painted an unforgettable picture of a unique duo who wielded power ruthlessly but not well that edition became a major bestseller and went on to win an australian book industry award for the best general non fiction book of the year now savva continues where she left off this updated edition contains a new 13 500 word final chapter in which savva reveals the inner state of the turnbull government and the behind the scenes jockeying of friends and foes alike from christopher pyne s career stalling own goal to peter dutton s post turnbull leadership ambitions to tony abbott s ramped up destabilisation campaign it is as usual an unputdownable and impeccably sourced account

Battlelines

2019-10-25

this concluding book in bestselling author tony abbott s critically acclaimed middle grade adventure series is a mile a minute thrill ride perfect for fans of rick riordan and ridley pearson upon my life i will across the centuries every guardian who has protected one of the twelve relics of the copernicus legacy has taken this vow but never have the consequences of the promise been more profound the secret network of the great astronomer s spies is the target of an assassination plot led by the despicable galina krause and now the kaplans are more alone than ever before as they race from france to antarctica against a deadly ticking clock there is not much time left for wade darrell lily and becca to find the remaining relics and defeat their enemies but are they willing to risk the life of one of their own in order to save the world

Abbott

2013-04-01

a hidden door a magical staircase discover the world of droon keeah a junior wizard has always dreamed of the day she would receive her wizardbook so when her mother presents her first one keeah is overjoyed but what she doesn t realize is how very powerful and dangerous a wizardbook can be if she isn t careful she might accidentally destroy the entire kingdom of droon keeah will need the help of her friends eric julie and neal along with max the spider troll to keep her on the right path for the first time ever readers get to hear keeah s point of view as she tells readers about the exciting adventures and wondrous magic of droon

How to Win the Constitutional War

2008-04-01

an action packed mythological chapter book series from tony abbott the underworld is in our world now owen jon and sydney managed to rescue dana from the underworld but if they don t fulfill their end of the bargain with hades she might be headed back forever as if that wasn t bad enough some very creepy very one eyed mythological beasts are on the loose cyclopes have taken over the power plant in pinewood bluffs owen and his friends have to stop them before they destroy the town but what chance do four kids stand against an army of mythological monsters

The Postcard

2015-01-06

poor people don t drive cars people have the right to be bigots i m a fixer team australia shirtfronting choppergate stop the boats coal is good for humanity no cuts to health sir prince philip the flags it s all the fault of the febrile media and that whole onion thing in august 2013 australia welcomed tony abbott as its new prime minister this promised to be a marriage between responsible government and a nation tired of the endless drama of the gillard rudd years but then well andrew p street details the litany of gaffes goofs and questionable captain s calls that characterised the subsequent reign of the abbott government following the trail from bold promises to questionable realities unlikely recoveries to inexplicable own goals malcolm turnbull s assurances of support to the day he pushed the captain off his bike once and for all and all this comes with a colourful cast of supporting characters and dangerous loons that only a nation unfamiliar with the concept of below the line voting could elect here is a unique take on a modern politics australian style if game of thrones was a deeply irreverent book about politics then the tv series would probably not rate nearly as well it would however look something like this

The Great Ice Battle (The Secrets of Droon #5)

2007-06-01

written by award winning author tony abbott and perfect for fans of the ethan i was before and the thing about jellyfish this bittersweet middle grade novel follows the ghost of denis egan as he teams up with his living twin brother to solve the mystery of his death denis egan is dead he s okay with that it s been five years since he died and the place where souls go is actually pretty nice sure there are some things about his life and how it ended he can t quite recall but that s how it s supposed to be remembering could prevent denis from moving on to whatever s next however something is standing in his way his twin brother matt can t let go of him and as long as the living are holding on to his memory denis can t rest in peace to uncover the truth about what happened that day five years before denis returns to his hometown and teams up with matt but visiting for too long has painful consequences for denis and matt s renewed interest in his brother s passing is driving a wedge between his still grieving parents can the two boys solve the mystery of denis s death without breaking apart the family he s left behind

Firegirl

2012-04-01

kevin rudd was given no warning but even he lasted longer than abbott julia gillard had plenty of warnings but even she lasted longer than abbott abbott ignored all the warnings from beginning to end the public ones the private ones from his friends his colleagues the media his colleagues were not being disloyal they did not feel they had betrayed him they believed he had betrayed them their motives were honourable they didn't want him to fail they wanted the government to succeed and they wanted the coalition re-elected abbott and credlin had played it harder and rougher than anybody else to get where they wanted to be but they proved incapable of managing their own office much less the government then when it was over when it was crystal clear to everyone that they had failed when everyone else could see why they had failed she played the gender card while he played the victim in the road to ruin prominent political commentator author and columnist for the Australian Niki Savva reveals the ruinous behaviour of former prime minister Tony Abbott and his chief of staff Peta Credlin based on her unrivalled access to their colleagues and devastating first person accounts of what went on behind the scenes Savva paints an unforgettable picture of a unique duo who wielded power ruthlessly but not well

Underworlds #2: When Monsters Escape

2015-10-13

bobby and his family are visiting civil war battlefields on the eve of the war's centenary while inside their car quiet battles rage when an accident cuts their trip short they return home on a bus and witness an incident that threatens to deny a black family seats what they don't know is the reason for the family's desperation to be on that bus a few towns away their child is missing lunch box dream presents jim crow racism and segregation from multiple perspectives in this story of witnessing without understanding a naïvely prejudiced boy in brief flashes of insight starts to identify and question his assumptions about race
