Unique Sacrifice of Imam Hussain for Humanity 2014-10-14 commemorating the battle of karbala in which the prophet mohammad s grandson hosayn and seventy two of his family members and supporters were martyred in 680 ce is the central religious observance of shi i islam though much has been written about the rituals that reenact and venerate karbala until now no one has studied women s participation in these observances this collection of original essays by a multidisciplinary team of scholars analyzes the diverse roles that women have played in the karbala rituals as well as the varied ways in which gender coded symbols have been used within religious and political discourses the contributors to this volume consider women as participants in and observers of the karbala rituals in iran iraq lebanon india pakistan and the united states they find that women s experiences in the shi i rituals vary considerably from one community to another based on regional customs personal preferences religious interpretations popular culture and socioeconomic background the authors also examine the gender symbolism within the rituals showing how it reinforces distinctions between the genders while it also highlights the centrality of women to the symbolic repertory of shi ism overall the authors conclude that while shi i rituals and symbols have in some ways been used to restrict women s social roles in other ways they have served to provide women with a sense of independence and empowerment

Ocean of Melancholy 2018 oh allah you are my only trust in every calamity you are my only hope in every hardship you are the only promise in anxiety and distress in which hearts become weak and human action becomes slight whereby one is deserted and forsaken by his own friends and the enemies take malicious pleasure and rejoice at his misfortunes oh allah i submit myself to you my complaint is to you alone against my enemies and to you alone is my desire and request who else other than you can relieve me from grief you alone are the custodian of every blessing and the master of every excellence and the last resort for every desire the prayer of the imam husayn as on the day of ashura

The Women of Karbala 2009-09-15 in 680 c e a small band of the prophet muhammads family and their followers led by his grandson husain rose up in a rebellion against the ruling caliph yazid the family and its supporters hopelessly outnumbered were massacred at karbala in modern day iraq the story of karbala is the cornerstone of institutionalized devotion and mourning for millions of shii muslims apart from its appeal to the shii community invocations of karbala have also come to govern mystical and reformist discourses in the larger muslim world indeed karbala even serves as the archetypal resistance and devotional symbol for many non muslims until now though little scholarly attention has been given to the widespread and varied employment of the karbala event in reliving karbala syed akbar hyder examines the myriad ways that the karbala symbol has provided inspiration in south asia home to the worlds largest muslim population rather than a unified reading of islam hyder reveals multiple sometimes conflicting understandings of the meaning of islamic religious symbols like karbala he ventures beyond traditional scriptural interpretations to discuss the ways in which millions of very human adherents express and practice their beliefs by using a panoramic array of sources including musical performances interviews nationalist drama and other literary forms hyder traces the evolution of this story from its earliest historical origins to the beginning of the twenty first century today karbala serves as a celebration of martyrdom a source of personal and communal identity and even a tool for political protest and struggle hyder explores how issues related to gender genre popular culture class and migrancy bear on the cultivation of religious symbols he assesses the manner in which religious language and identities are negotiated across contexts and continents at a time when words like martyrdom jihad and shiism are being used and misused for political reasons this book provides much needed scholarly redress through his multifaceted examination of this seminal event in islamic history hyder offers an original complex and nuanced view of religious symbols

The Tragedy of Karbala 2003 this innovative study examines patterns of change in shi i symbols and rituals over the past two centuries to reveal how modernization has influenced the societal political and religious culture of iran shi is who support the prophet mohammad s progeny as his successors in opposition to the sunni caliphate tradition make up 10 to 15 percent of the world s muslim population roughly

Reliving Karbala 2008-09-01 the incident of karbala has always throughout the centuries of islam been regarded as a sensitive topic of discussion one will undoubtedly be correct in saying that this gruesome and tragic incident was among the greatest of trials and tribulations ever recorded in the annals of islamic history in every era of islam commencing from the golden era of sahaabah until this day and age the ulama of the ummah explained the great sacrifices which the sahaabah taabi een and the luminaries of islam made for deen among these sacrifices was the selfless sacrifice of hazrat husain ra and the ahle bayt at karbala the ulama of the ummah therefore explained the incident of karbala with the primary aim of differentiating and distinguishing between the jamaat of haqq group on the truth and the jamaat of baatil group on falsehood in this battle hazrat husain ra the beloved grandson of rasulullah pbuh the ahle bayt the blessed family of rasulullah pbuh and his companions were brutally massacred and ruthlessly killed they were the illustrious sahaabah of rasulullah pbuh and through oppressing them one could only invite the divine curse and wrath of allah ta ala on himself over and above their being sahaabah the fact that they were from the blessed family of nabi pbuh only intensified the crime in its severity and heinousness though the incident of karbala was most tragic and heart breaking islam commands us as muslims to maintain justice when dealing with this incident and other incidents of a similar nature islam strongly disapproves and completely condemns adopting the path of extremism in any matter hence we should neither adopt the path of the shias nor the path of the khawarij as both these deviant sects have gone to either extreme in dealing with the situation this treatise has been prepared to explain the incidents and events that occurred during the reign of yazeed as well as to reveal the mainstream view of the sahaabah ra taabi eenra and the luminaries of the various eras of islam regarding yazeed
