Disciples

2015-10-06

this is an overview of america s first effort in military aid to a foreign sovereign nation at a time when europe was engaged in open warfare asia was facing a series of military confrontations and most of the world thought global conflagration was inevitable the work offers insight into the impact of war in burma a backwater of world war ii and examines events that result when great powers go to great lengths to further their own goals the work also examines disagreements among china the united kingdom the united states and japan and shows the evolution of aid provision to another country and changing expectations as new information arises

Regulation

2007-01-28

contains the full texts of all tax court decisions entered from oct 24 1942 to date with case table and topical index

Preliminary Inquiry Into Allegations Regarding Senators Cranston, DeConcini, Glenn, McCain and Riegle, and Lincoln Savings and Loan

1991

chiefly translations from foreign aeronautical journals

Hearings, Reports and Prints of the House Committee on Education and Labor

1975

world war i did not bypass latin america within days of the war s outbreak european belligerents mobilized intelligence assets and secret diplomacy to compete for latin america s allegiances and resources this intelligence war entangled all of the american republics and even japan dreary consular offices from the rio grande to the straits of magellan were abruptly thrust into covert activities trafficking in fugitives running contraband and conducting sabotage revolutionary and counter revolutionary movements big oil international banks and businesses were also drawn in drawing on long classified u s intelligence documents this narrative of the latin american intelligence war reveals the complexity and chaos behind the placid veneer of wartime pan america the author connects the dots between mexico city buenos aires guatemala city lima havana santiago rio de janeiro berlin london washington tokyo and dozens of safe houses front companies consulates legations and headquarters in between scores of unrecognized veterans of the intelligence war are revealed

Poverty, Equal Opportunity and Full Employment

1975

the 2012 gcse english results prompted significant controversy which ultimately resulted in an application for judicial review this report sets out the background to these events and identifies lessons to be learned the problems with gcse english can be traced back to the 2007 09 development phase of the qualification in particular the turbulence which resulted from the shift away from a mostly linear to a modular system combined with a high proportion of controlled assessment and generous marking tolerances exam board experts raised concerns at the time but these were not acted upon by the regulator the then interim ofqual further difficulties arose because of pressures from the school accountability system the problems experienced with gcse english in 2012 highlighted serious weaknesses in the moderation of speaking and listening with consequences for grade awarding the current status of ofqual as an independent regulator accountable to parliament is the right one however the coalition government is bringing in wholesale changes to gcses and a levels to a tight timetable and at the same time ofqual must have systems in place the committee is also concerned that there is a rush towards separate exam systems for england wales and northern ireland without careful reflection on what might be lost or consensus that this is the right thing to do

Poverty, Equal Opportunity, and Full Employment

1975

during the two world wars that marked the 20th century hundreds of thousands of non european combatants fought in the ranks of various european armies the majority of these soldiers were muslims from north africa sub saharan africa central asia or the indian subcontinent how are these combatants considered in existing historiography over the past few decades research on war has experienced a wide reaching renewal with increased emphasis on the social and cultural dimensions of war and a desire to reconstruct the experience and viewpoint of the combatants themselves this volume reintroduces the question of religious belonging and practice into the study of muslim combatants in european armies in the 20th century focusing on the combatants viewpoint alongside that of the administrations and military hierarchy

Selection and Confirmation of Federal Judges

1980

this essential reference offers a multitude of ideas tips and strategies for organizing every aspect of a principal s job from controlling your calendar to creating newsletters

Hearings, Reports and Prints of the Senate Committee on the Judiciary

1979

alfred runte an environmental historian based in seattle is the author of national parks the american experience 1979 rev ed 1987 also published by the university of nebraska press

Selection and Confirmation of Federal Judges: Hearings held September 6, 10, 12, 20, 21,; October 3, 17, 18, 24, 25; November 7, 8, and 15, 1979

1979

despite the consensus that economic diplomacy played a crucial role in ending the cold war very little research has been done on the economic diplomacy during the crucial decades of the 1970s and 1980s this book fills the gap by exploring the complex interweaving of east west political and economic diplomacies in the pursuit of détente the focus on german chancellor willy brandt s ostpolitik reveals how its success was rooted in the usage of energy trade and high tech exchanges with the soviet union his policies and visions are contrasted with those of u s president richard nixon and the realpolitik of henry kissinger the ultimate failure to coordinate these rivaling détente policies and the resulting divide on how to deal with the soviet union left nato with an energy dilemma between american and european partners one that has resurfaced in the 21st century with russia s politicization of energy trade this book is essential for anyone interested in exploring the interface of international diplomacy economic interest and alliance cohesion
