FAA Handbooks:...Installation Instructions for VHF Omnidirectional 1963

the essays in this collection are concerned with the philosophical problems that arise in connection with the understanding and evaluation of literature such problems as the relationship between the work and the author authorial intention between the work and the world reference and truth the definition of a literary work and the nature of literary theory itself professor olsen attacks many of the orthodoxies of modern literary theory in particular the enterprise to build a comprehensive systematic literary theory his own work is informed by a consistent perspective the assumption that literature is a social institution governed by conventions and that answers to problems of interpretation and appreciation can be found only through an analysis of these conventions this is an important book for scholars and students of literary theory and philosophy especially for those who see an ever increasing cross fertilization between the two disciplines

The End of Literary Theory 1987-03-19

on a hot summer day at bellweather high school in sydney australia teacher bill pagett lies murdered the hole in his head accomplished with neat efficiency by a black decker drill detective inspector carol ashton investigates bringing with her a formidable reputation for competence she soon uncovers tangled relationships and motives for murder among the six teaching staff along with a maze of malicious anonymous letters and threatening phone calls and then there is yet another corpse carol s investigation is further complicated by the flashfire attraction between herself and prime suspect sybil quade carol fights her desire knowing its potential to compromise her investigation nor does sybil welcome an unnatural obsession with the alluring woman who is inexorably gathering the evidence to convict her of multiple murder
