Serve Up, Coach Down

2018-10-01

shows leaders in the middle just how powerful they are without pretending that leading employees and reporting to bosses don t require different skills it fills the gap between the books those leaders read and the information they actually need and answers the big questions that constantly confound leaders and their companies why do leaders who care about their teams still struggle to gain their boss s approval why do those same leaders who feel they serve their teams have so much difficulty getting teams to step it up and go beyond the basic requirements of their jobs why do leaders have issues getting other divisions in the organization to do more so that their teams don t have to do more than their share the answer leaders in the middle too often serve down to their people and defend up to their bosses instead of serving up to their bosses and coaching down to their employees this is why so many companies struggle to
