The Secret Lives of Elephants 2006

tusker an elephant usually male that carries large tusks in excess of 60 kg per tusk there was a time in africa when great tuskers roamed at will from the deserts of namibia to mozambique from ethiopia to south africa today due to the growth of human settlement and the hunt for ivory the large elephant herds have been drastically reduced so that fewer than 450 000 elephants survive sighting a tusker today is a magnificent event not least because so few remain in the wild author johan marais and wildlife artist dave hadaway have produced a book in which many of africa s past and present great tuskers are immortalised in words photographs and paintings great tuskers includes information on ivory anatomy ivory diseases trade in ivory and conservation of the african elephant but its main purpose is to share with the reader the beauty grace and presence of the great bulls that once walked the earth as well as the current big bulls that roam free in the few protected areas of africa

African Elephants 2014-07-22

against the backdrop of a glittering but brutal circus world carol bradley s last chain on billie charts the history of elephants in america the inspiring story of the elephant sanctuary and the spellbinding tale of a resilient elephant who defied the system even as she struggled to conquer her past who never lost sight of the life she was meant to have left in the wild billie the elephant would have spent her days surrounded by family free to wander the jungles of asia instead traders captured her as a baby and shipped her to america where she learned to carry humans stand on a tub and balance on one leg the full repertoire of elephant tricks for decades billie crisscrossed the country dazzling audiences as she performed breathtaking stunts but

behind the scenes she lived a life of misery traveling in trucks chained for hours on end barely able to move giving eight minute performances under harsh lights and to the sounds of blaring music and worse finally she got a lucky break as part of the largest elephant rescue in american history billie wound up at a sanctuary for performing elephants in tennessee able once more to roam through open meadows and share her days with a herd she would never be beaten again but overcome with anxiety she withdrew from the rest of the elephants and refused to let anyone remove a chain still clamped around her leg her caregivers began to wonder if billie could ever escape her emotional wounds the compelling story of billie s battle to reclaim her old self is a testament to the intelligence emotional complexity and remarkable strength of all elephants captive or free
