she had loved before and lost and was immovably accepted by the possibility that she would never  
love again one day she discovered him not simply in her fantasies but rather in her heart he didn't  
leave her life he was dependably there she was never alone every minute she can feel his nearness  
as though he'd generally been he was not sitting tight for affection one day when she walked through  
his heart and the entire world moved she wasn't simply perusing his psyche it resembled she was  
perusing his soul they are such a sort of cheerful couples constantly together as if they'd been hitched  
until the end of time in any case fate had other arrangement for them they got isolated not on the  
grounds that their affection was not valid but rather as a result of the dismissal by their own parents  
affection forever an adoration that associated two souls profound inside while life was planning against  
them to deny two star-crossed sweethearts from something that had dependably been and could  
simply be their adoration is uncommon and that is valid this is their story

for beastie boys there was a feeling of family between the two groups rick rubin in the early 1980s  
iconic skate and punk photographer glen e friedman had a front row seat to the rise of hip hop music  
and culture he was able to get with both run dmc and beastie boys on their meteoric rise to fame  
befriending both groups friedman s eye composed the photos that have become synonymous with how  
we remember both groups when they first came into our collective consciousness and then the  
moment when it all came together the seminal popular and highly publicized 1987 joint concert tour  
raising hell together forever is not only a visual time capsule of hip hop on the cusp of becoming  
mainstream but a record of the strong bond of friendship between these two groups and how they  
significantly influenced each other all while having a massive impact on music history and the industry  
including scores of never before published photos made by friedman the bands in concert goofing  
around with celebrities portraits and of course hanging out together together forever includes a  
foreword by chris rock plus text contributions by the surviving members of both groups and others who  
were there proving that the originals still reign
