recognizing the importance of portfolio management the project management institute pmi has launched a new certification entitled the portfolio management professional pfmp pfmp exam practice tests and study guide is the most comprehensive resource available to help you prepare for and pass the pfmp certification exam it provides coverage that is current with the standard for portfolio management third edition and the pfmp examination content outline eco 2013 the book consists of five sections each of which corresponds to one of the five domains described in the eco each section includes study hints a list of major topics that may be encountered on the exam and 20 multiple choice practice questions that illustrate the applicable task from the eco each section also includes an answer sheet and answer key with the rationale for each correct answer and references to the standard supporting references are also listed at the end of the book for each of the domains covered on the exam written by dr ginger levin co author of best selling pmp and pgmp study guides the book includes two complete practice tests each consisting of 170 questions that follow the blueprint of the actual pfmp exam as described in the eco for example 25 percent of the questions relate to strategic alignment 20 percent relate to governance 25 percent relate to portfolio performance 15 percent relate to portfolio risk management 15 percent relate to communications management the two accompanying online tests feature a proprietary scoring algorithm to help you determine if you are proficient moderately proficient or below proficient in each domain earning the pfmp certification is a prestigious accomplishment by studying this book and using the practice exams provided you will significantly improve your chances of passing the exam the first time around

Neo4j Certified Professional 2020-04-28

this book contains two high quality practice tests of 80 questions each with answers and explanations to help you pass or improve your score on the free online neo4j certified professional exam all questions are closely emulated from those currently found in the actual exam so you ll not waste time on anything else unlike the real exam you ll know right away what questions you missed and what the correct answers are detailed explanations with external references for any possible choice in each practice test question quiz types distributed close to 50 multi choice 25 multi select 25 true false domains distributed close to the real exam 40 cypher 30 intro 20 modeling 10 developer questions will test you on neo4j version 3 x but explanations will have updates on deprecated features and change history why not just trying again and again the free online exam until i pass because starting may 2020 you can try only once a day the real online exam because the high number of multi answer questions and the gotcha tricks may give you no idea what went wrong because it is time consuming and you can easily get stuck at the same low scoring mark because nothing tells you where and what you failed and next time you will likely make the same wrong choices because you can

hardly improve without knowing what went wrong because you may want to get a better passing score anyway as long as it appears on your issued certificate same e book as live practice tests on udemy neo4j certified professional practice exams
