History of India 2017-01-02

the rāmāyana of vālmīki is considered by many contemporary hindus to be a foundational religious text but this understanding is in part the result of a transformation of the epic's receptive history a hermeneutic project which challenged one characterization of the genre of the text as a work of literary culture and replaced it with another as a work of remembered tradition this book examines rāmāyana commentaries poetic retellings and praise poems produced by intellectuals within the Śrīvaisnava order of south india from 1250 to 1600 and shows how these intellectuals reconceptualized rāma's story through the lens of their devotional metaphysics Śrīvaisnavas applied innovative interpretive techniques to the rāmāyana including allegorical reading ślesa reading reading a verse as a double entendre and the application of vernacular performance techniques such as word play improvisation repetition and novel forms of citation the book is of interest not only to rāmāyana specialists but also to those engaged with indian intellectual history literary studies and the history of religions

The History of Indian Art 2014

life history of shirdi sai baba was originally written in telugu by ammula sambasiva rao and translated into english by thota bhaskara rao

the book delves deep into the details of the life of shirdi sai baba right from his birth till attainment of samadhi the author has expounded sai tatwa or sai philosophy in a simple language interspersed with engrossing anecdotes in the life of sai devotees

New Perspectives in the History of Indian Education: Political context of education 1988

beyond macaulay provides a radical and comprehensive history of indian education in the early colonial era from the establishment of the calcutta madrasa in 1780 until the end of the east india company s rule and the beginning of the administration by the crown in 1860 the book challenges the conventional theory that the british administration imposed english language and modern education on indians based on rich archival evidence it critically explores data on 16 000 indigenous schools and shows that indigenous education was not oral informal and brahmin centric but written formal and egalitarian the author highlights the educational policies of the colonial state and the way it actively opposed the introduction of modern education and privileged brahmins by including hitherto unused 41 educational minutes of macaulay the volume examines his educational ideas and analyses why the colonial state closed down every school established by him it also contrasts the educational ideas of the british elites and the orientalist with dissenting scottish voices the book discusses post macaulayan educational policies and the wood s despatch of 1854 as well as educational institutions during the revolt of 1857 it covers indigenous education in sanskrit persian arabic and modern indian vernaculars the impact of the colonial policies on these schools and traces the history of education in bengal north india and madras and bombay presidencies as also the role of caste and religion in society this book will be of great interest to scholars and researchers of education history of education indian history south asian history colonial history sociology political history and political science

History of Modern Andhra Pradesh 2014-12-01
