A Dictionary of Travel and Tourism Terminology 2005-01-01

in a time when racing boats are mass produced from synthetic materials a dying breed of craftsman continues to build wooden sailboats of astonishing beauty boatbuilding is an

ancient art and joel white was a master son of the legendary writer e b white he was raised around boats and his designs were as sublime and graceful as his father s prose at a boatyard in maine white and his closely knit team of builders brought scores of his creations from blueprints into the ocean in june 1996 six months after being diagnosed with cancer joel white began designing the w 76 an exquisite racing yacht it was his final masterpiece douglas whynott spent a year at brooklin boat yard observing as this design took shape first in sketches and then during the painstaking building of the wooden craft the result is the poignant tale of both a genius at work and the people devoted to his art evoking e b white s new england and its salty residents a unit of water a unit of time is a classic portrait of dignity charm and humble magnificence and of a maritime community that keeps a vanishing world alive

Business magazine 2003

etourism case studies bridges the gap in contemporary literature by carefully examining marketing and management issues of many international companies that have successfully implemented etourism solutions divided into six sections this book explores the newest developments in this field introducing and discussing emerging trends approaches models and paradigms providing visions for the future of etourism and supporting discussion and elaboration with the help of thorough pedagogic aids with contributions from leading global experts both from the industry and academia each case follows a rigid structure with features such as bulleted summaries and review questions as well as each section having its own thorough introduction and conclusion written by the editors highlighting the key issues and theories this is the first book of its kind to bring together cases highlighting best practice and methods for exploiting ict in the tourism industry from international market leaders

Chestnut Street 2014-04-24

the closing of the theatres by parliament in 1642 is perhaps the best known fact in the history of english drama as the parliamentary puritans were then in power it is easy to assume that all opponents of the theatre were puritans and that all puritans were hostile to the drama the reality was more interesting and more complicated margot heinemann looks at thomas middleton s work in relation to the society and social movements of his time and traces the connections this work may have had with radical parliamentarian or puritan groups or movements in the light of the recent work of seventeenth century historians we can no longer see these complex opposition movements as uniformly anti theatre or anti dramatist the book suggests fresh meanings and implications in middleton s own writings and helps towards rethinking the place of drama in the changing life of early stuart england
